Simultaneous retained evidence for three rejected shared-satellite trials
Descriptive residual witnesses; overlap/correlation alone does not identify receiver, orbit, or target-specific cause

DS26-0223 — existing rejected trial, fitted_c; same conditioned model, no refit

DS26-0050 — existing rejected trial, fitted_c; same conditioned model, no refit

DS26-0251 — existing rejected trial, fitted_c; same conditioned model, no refit
